Links

- Some links are broken and don't lead to another web page or to an external website:
 - Social media links are in place but do not link anywhere.
 - A second navigation link is present but does not link to a new page.

- All social media links on the page lead to external websites.
- Deleted social media icons if a link is not provided.
- Edit the href value of the Home link so it navigates to index.html.
- Link to second html file is present and links to a new page.
- The second page contains additional text and/or image content

- Extra page(s) added in addition to the Home and second page and links to the new page(s) work.

Added a photo and background
